

Dear friends,

We're back to (almost) normal!

We have adjusted our risk assessment and we are as certain as we can be that we are operating in an environment that is safe for you and our staff.

We will need your help to make this happen.

- We have kept the supply of sanitiser at our entrances and exits. Please use it whenever you arrive or leave and wash your hands whenever you use the toilet.
- There is no requirement for you to wear a facemask, but please do so if it helps you feel safe and secure.
- We will continue to sanitise tables before and after use.
- Please order at the bar as standard but let us know if you would prefer table service and we'll help however we can.
- There is no legal requirement for you to complete the NHS track & trace, but we encourage you to do so using the code at the bottom of this sheet.
- Please take advantage of setting up a tab for payment. The less exchanging of cards or cash is safer and will also speed up the process.
- Try and use cards for payment and use contactless if possible.

Please respect other people's personal space. Not everyone is entirely confident in being 'out and about' yet, so please give them room.

*In a world where you can be anything, be kind.*
